

INTRODUCING THE

NEW SG420S

THE **STRONGEST** '420 SIZE' GRAPPLE TO EVER HIT THE MARKET

The **SG420S**
grapple puts
POWER back
into Productivity

- **The SG420S is the next step in grapples!**
Based on the proven SG360S – the new SG420S is the next size up grapple for those customers needing more capacity!
- Constructed from the same legendary DNA as the time proven Series 1 grapples that have become the industry standard in CTL grapples in North America for over 25 years.
- Tapered sleeve pin design eliminates any joint motion.
- The SG420S has a 0.33 cord capacity.
